One of the major approaches and concepts in all intellectual history nihilism. But historically, and in particular, know Nietzsche as a philosopher know that this approach is considered. In our tradition, the approach is not unheard, so that even on the concepts of the Rubaiyat is coherently formulated. The kayyams Rubaiyat, also in the work Nietzsche nihilism emerge in areas of ontological, cosmological, epistemological, ethical and existential. This article want to research is a deep affinity between these two philosophers ideas in the areas discussed want to emphasis that Khayyam had priority in this respect even Nietzsche

Keywords: Khayyam, Nietzsche, Nihilism, Cosmological, Epistemological.
